

4030-CcaHA Climate Change and it's Human Aspect

Winter semester 2025/26

Essay themes to select from:

Perspectives of climate change mitigation.

Challenges in adaptation to climate change.

Technology? Economy? Politics? What is most important in climate action?

Climate justice and human rights.

Climate change and biodiversity.

My country in changing climate: perspectives and vulnerabilities.

Requirements:

6-10 pages A4, may include 2-3 figures, reference list required, based on IPCC reports, additional scientific papers, reports and documents welcome.

Please, in the course of writing, distinguish your personal opinions (I like personal opinions!) from information from peer-reviewed sources.

Structure: an introduction with the definition of the problem, analytic part based on data and references, summary with conclusions and opinions.

My personal judgment of the essay will be based on the following elements:

- 1) formal structure;
- 2) proper referencing of key sources;
- 3) conclusions based on the arguments provided.

The document with the essay should include:

the name of the author, the photo, the student number, the course name and number, the title of the essay.

Preferred format: PDF.

The file name with the essay should include the name of the author and student number.

The subject of the e-mail to which the essay is attached should be: **4030-CcaHA** essay

The deadline:

2026-02-01,
